## 5 Sugar Mills Are Grinding, Others Start Next Week

### Charles Story Will Preside At Chamber Meet

Charles L. Story, who was installed as president of the Pahokee Chamber of Commerce in October, will preside over his first official meeting on Monday night, November 7, at 7:30 p.m. Mr. Story will name his committees for the 1966-'67 year at the meeting on Monday night.

Additional plans for the Christmas lighting and decorating competition will also be discussed at the meeting, according to Mrs. Duncan Padgett, secretary. This competition is an annual event sponsored by the Pahokee Chamber of Commerce.

### Workshop To Study Math Next Tuesday

Workshops for elementary principals have been scheduled in the Glades area of Palm Beach County, it is announced by County Superintendent Robert W. Fulton. The time and place of the workshop is given below.

The workshop will be held in the Glades Area on Tuesday, November 8, 1966, at 10:00 a.m. at the Pahokee Elementary School.

The main item on the agenda will be discussions on a proposal to extend the Mathematics Project, currently in the secondary schools, into the fifth and sixth grades of the elementary schools during the 1967-68 school year.

Dr. Jack Foley and Leroy Smith, both of the Department of Instruction, of the Palm Beach County school system, will assist in the discussion.

### Bill Deen Spoke At Woman's Club

The Pahokee Woman's Club met last Wednesday with Mrs. J. C. Simonds, president, presiding over the business. This was a luncheon and program meeting.

Mrs. Charles Story, program chairman, introduced Bill Deen, who is with the U. S. Health Department, who showed film and discussed his work in the Glades to control venereal disease. He explained the ways in which the disease can be controlled and following his discussion a question and answer period was held.

Guests at the meeting were Mrs. Bill Deen and Miss Sandy Weeks, student representative to the Woman's Club for the school year.

The meeting next Wednesday will be a business and program meeting. The topic for the program will be "New Trends in Education" with Don Griffith, headmaster at the Pahokee Day School, as the guest speaker.

### R. T. Hughes Passes In Opp, Alabama

Word was received last Sunday that R. T. Hughes had passed away in Mizell Hospital in Opp, Alabama, following a three week illness there. Funeral services were held on Wednesday at Mt. Gilead Baptist Church. Local survivors include his sister-in-law, Mrs. Jessie Hughes of Pelican Lake, three nephews, Dewey Hughes of Prewitt, Earl Hughes of Runyon and Arnold, of Pahokee and one niece, Mrs. H. C. Clark of Pelican Lake.

### Miss Florida Quits, Runner Up Is Crowned

SARASOTA. (FNS) Miss Diane Colston has resigned. Diane, who as Miss Florida was one of the 10 runners-up in the Miss America Pageant, gave up her crown and has been succeeded by Christine Torgeson, runner-up for the Miss Florida title as Miss Manatee.

In a letter delivered to newspapers by her sister, Miss Colston said she was resigning due to the tensions and pressures brought on by the title.

Christine, the new Miss Florida, will receive both the Atlantic City and Florida scholarships and has already taken possession of the 1967 automobile.

Rumors are also circulating that Bill Weatherly, director of the Miss Florida Pageant Association, was anticipating resigning. A question also seems to exist as to whether or not the Miss Florida Pageant will remain in Sarasota in coming years.

### Blue Devils Will Play Punta Gorda

The Pahokee Blue Devils will travel to Punta Gorda in Charlotte County tonight to play another non-conference football game, following a rugged workout this past week.

Last Friday, the Stuart Tigers from Martin County upset the Blue Devils by a score of 14-13. This is the first loss in the conference for the Blue Devils.

This week finds five of the nine sugar mills in the Glades at work grinding sugar cane for the 1966-67 season. Bryant and Clewiston started at eight o'clock Tuesday morning and Talisman on Road 27 started Thursday. The Okeelanta Sugar Refinery, south of South Bay, and the Glades County Sugar Growers Cooperative at Moore Haven started today (Friday).

Next week will see more of the mills in the Glades in action for the new sugar season. Next week the Atlantic Sugar Association east of Twenty-Mile Bend will get underway on Thursday—November 10.

Scheduled for starting the season on Monday, November 14, is the Glades Sugar House operated at Belle Glade by the Florida Sugar Cane Growers Cooperative. Osceola Farms mill east of Canal Point is scheduled to start on Tuesday, November 15.

Located east of Belle Glade on SR 80, the Florida Sugar Corporation is scheduled to start grinding between November 20 and November 25.

An increase in off-shore laborers was announced by the U. S. Department of Agriculture at the start of the season. The new rule says they shall be paid \$1.35 per hour and truck drivers and operators of mechanical harvesters will draw a minimum of \$1.55 per hour.

### Glades Singers Plan Meeting Monday Nite

Kenneth Lutz of Belle Glade would like to remind all Glades Singers that a rehearsal will be held on Monday night, November 7, in the band room of the Belle Glade High School. Fred Stevens will be the director of the singing group.

The Glades Singers was started in January and are now trying to get re-organized after disbanding for the summer months. All Glades area residents who are interested in joining the group are requested to attend the rehearsal on Monday night, November 7, at 8:00 p.m. at the Belle Glade High School Band Room.

Mr. and Mrs. J. D. Stacy and family have moved to Bryant from Jensen Beach.

### Mrs. Johnson Back On Dispatcher Job

Mrs. Louise M. Johnson, who had more than 15 years of service with the Florida Highway Patrol as a dispatcher, has returned to the Pahokee post after an 18-month retirement period.

Capt. J. M. Hagans, commander of Troop "L" of the Florida Highway Patrol headquarters in West Palm Beach made the reassignment of Mrs. Johnson to replace Calvin E. Dixon who was transferred to Fort Pierce.

### District Meet Garden Clubs Held In Riviera

The 13th Annual District 10 meeting of the Florida Federation of Garden Clubs, Inc., was held at the Colonnades Beach Hotel in Riviera Beach on Monday, October 31. The hostess club was the Riviera Beach Garden Club with Mrs. E. D. Gorton, president, in charge.

The theme of the program was "Education Beginning in a Garden." Presiding at the meeting was Mrs. Homer Gwin, director of District 10. Annual reports were given by the president of each garden club in the district. Many interesting projects were reported.

An election of new directors for District 10 was held. Mrs. Anna Keen was elected a new director for the district. Mrs. Alfred Butler and Mrs. James Kerwin were elected to the nominating committee. Mrs. Charles H. Blanchard, Sr., president of the Florida Federation of Garden Clubs, Inc., stressed the importance of understanding one's community.

Two life memberships were given. Mrs. Ethel M. Sorenson was presented the membership by her husband and Mrs. H. B. Swindelhurst was awarded a life membership by the Stuart Garden Club in appreciation for her large number of years of work in the club.

The members of the Canal Point Garden Club who attended the meeting were Mrs. Leo Hebert, president, Mrs. G. H. Tucker and Mrs. Roland Kahle.

### Funeral Services For Mrs. Maye Burks

Mrs. Claude L. Shirley, Sr., returned to her home in Pahokee last week after attending funeral services on Wednesday in Griffin, Georgia, at the Union Baptist Church for her sister-in-law, Mrs. Maye Burks, who passed away in Jackson, Georgia, following a heart attack. She returned to Pahokee with Mr. and Mrs. L. L. Shirley who had been visiting friends in the area.

Mr. and Mrs. Don Adams attended the homecoming at the University of Florida in Gainesville last weekend.

### Pahokee Lions Hear About FFA Convention

The Pahokee Lions Club met on Tuesday with the new president, Dr. R. L. Hatton, presiding. The program for the day was arranged by Mayor Duncan Padgett who introduced N. R. Norman, F. F. A. advisor at Pahokee High School, who in turn introduced Omar Adams, Hank Tucker and James Veal who attended the F. F. A. Convention in Kansas City, Missouri. They told about their trip to Missouri and the American Farmer Degree which James Veal was awarded at the Convention.

Guests at the meeting were Dr. D. A. Fiehs and LeBron Williams, both members of the Belle Glade Lions Club, Lion Bob Adams of Clewiston, Judge Don Sinclair of West Palm Beach, who is a candidate for Criminal Judge, Charles M. "Sonny" Brown, Pahokee Chief of Police, Mr. White of the Palm Beach County Health Department and students, Steve Wilkinson and Antonio Molares.

It was announced that the board of directors meeting will be held on Monday, November 7, at 7:30 p.m. at the home of Dr. R. L. Hatton.

### Cleanup Project By Garden Club

Several members of the Canal Point Garden Club were busy last Thursday, October 27, in the morning cleaning around and trimming the trees and shrubs in the roadside park on Conner's Highway. Another workday is planned in a couple weeks to complete the project and more members are asked to donate some time to the project.

Those in evidence last Thursday were Mrs. Floyd Erickson, chairman of the roadside and civic improvement committee, Mrs. O. H. Sheppard, treasurer, Mrs. Roland Kahle and Mrs. Leo P. Hebert, president of the Garden Club.

### Mrs. Edelle Morrison Died In Atlanta

Mrs. Ollie Adams received word Sunday that her sister-in-law, Mrs. Edelle Morrison, of Atlanta, Georgia, had passed away following a cerebral hemorrhage. Funeral services were held on Tuesday morning at 10:00 a.m. at Patterson Funeral Home in Atlanta.

Mr. and Mrs. Al G. Belcher had as their guests during the past weekend her son and family, Mr. and Mrs. Joseph H. Bullock and daughter, Starla Jo, of Clermont, who helped Mrs. Belcher celebrate her birthday on Sunday.

## Orange Bowl Queen Contest Underway

CORAL GABLES, (FNS) Thirteen might prove to be lucky for a South Florida young miss as the annual search for the 1966 Orange Bowl Queen now is underway.

Eligible to reign over the December 17-29 festival are young ladies aged 12 and 13. Eliminations have been scheduled in 19 sites from Vero Beach to Homestead and about 10 others are expected before the finals are held December 3 at the Coral Gables Youth Center.

Three girls will be selected at each site to represent their community in the finals. They will then compete for the opportunity to reign over the 19th annual pageant as a queen. Theme of this year's youth spectacular is A Day at the Circus.

The queen and her court will ride the float of honor in the Junior Orange Bowl Parade in Coral Gables on December 29 and also will be seen on national television in the big New Year's Eve King Orange Jamboree.

The queen and her court will also reign over the Junior Orange Bowl Tennis Championships, the International Golf Tournament, the Queen's Ball and a football double-header.

## New Control For Potato Growers

TAMPA, (FNS) Florida potato growers have a new weapon against seed-born diseases which plague their crops, particularly in the far southern counties. The U. S. Department of Agriculture has granted registration of Polyram (R) fungicide for use in treating cut seed and whole seed for control of three major potato diseases—fusarium seed piece decay, seed-born common scab and black leg.

In announcing the new registration, Niagara Chemical Division of FMC Corporation noted that Polyram represents the first seed treatment material to combine protection against seed-born scab with fusarium and black leg control. According to the company the need for a single compound which can efficiently perform both functions has been great, particularly where acid tolerant strain of scab is present.

For cut seed, recommendations call for use of 1 to 1 1/2 lbs. of Polyram dust to treat 100 lbs. of seed pieces. In order to obtain best results dust should be applied to the entire surface area immediately after cutting. On whole seed Polyram is applied at a rate of 1 to 1 1/2 treated whole seed are cut, a second application is required in order to curb black leg and fusarium seed piece decay.

As a spray material on the foliage of potato plants for control of early and late blight, Polyram is already well established and has provided consistently good results on many different varieties, in all major U. S. potato growing areas. Additionally, specific gravity and color tests—important where potatoes are used for chipping—have been highly favorable on tubers protected by Polyram application.

## P. B. Co. Baptists Work Hard For New College

While Palm Beach County voters go to the polls next Tuesday a group of Palm Beach County citizens will be 600 miles away in Pensacola working to bring the proposed Baptist-sponsored college closer to reality.

The College Committee, headed by Dr. Jess Moody, will present recommendations to this effect to the Florida Baptist Convention which meets in Pensacola next Tuesday through Thursday.

Reports by the College Committee and the Baptist Education Commission are scheduled to be received by 1,500 messengers to the Convention on Wednesday morning.

Monday night the College Committee expects to meet with the Board of Missions and the Education Commission. These two boards have the authority to activate the Board of Trustees, named at last year's convention.

The trustees got their first look at the 200-acre campus in Palm Beach Gardens on Friday, at an informal meeting.

Historically, Baptists have been leaders in the field of higher education. Scores of institutions are Baptist. Southern Baptists operate 75 colleges, seminaries and schools. These institutions have become beacons of light for Baptists; they have become missions for the church where church men and women study, plan and then go forth to win more souls for Christ.

"As our country grows the need for more Christian facilities becomes greater, especially in the light of such movements as the 'God is Dead' syndrome. Southern Baptists are keeping up with this challenge by building such outstanding new colleges in Houston, Charleston, Mobile and now Atlanta," Dr. Moody said.

In Florida the need has been accentuated even more by the tremendous growth of the state. When Stetson opened in 1883 Florida was the smallest southeastern state. In fact in 1940 when Stetson was 57 years old, Florida was still last. Today Florida is the largest of the 12 southeastern states and is also the 9th largest state in the nation. The brethren of the Palm-Beach Association launched a major campaign in Palm Beach County for

## Deaf Man Perfects Midget Transistor Hearing Aid

If you can hear people talk and can't make out the words clearly, then this will be your answer. An extremely small hearing aid using a tiny energized unit, has been perfected by a man who himself is hard of hearing and has been for over 10 years. If interested it is suggested you write J. W. Pianck, 32 E. 9th St., Erie Pa. You will receive full information at no cost or obligation whatsoever.—Adv.

the \$1,500,000. The land for campus had been donated by John D. MacArthur, president of Bankers Life and Casualty Company.

The 200-acre campus which is adjacent to the Palm Beach Gardens Interchange of the Sunshine State Parkway, has been called by Dr. Doak Campbell, president emeritus of Florida State University, as one of the finest sites for the college he has ever seen and Dr. Campbell has been an authority in education for 50 years.

## Direct Dialing In Glades On November 20

Several years of planning, many weeks of diligent work and thousands of dollars worth of equipment will form the backdrop for the flip of a switch in West Palm Beach on Sunday, November 20, at 2:00 a.m. That's when Southern Bell will put the Belle Glade-Pahokee exchanges into the Nationwide Direct Distance Dialing (DDD) network for long distance calls.

Long distance calls from the Glades area will be trunked through the Belle Glade office to the DDD switching and billing equipment in the new toll building at 325 Gardenia Street, West Palm Beach.

With the DDD system, the entire country is divided into numbered areas. Belle Glade-Pahokee Area Code number is 305. Glades area telephone users will be able to dial any of the 80 million phones in the continental United States. Calls within the home area (305) will require only eight turns of the dial—one more than a local call.

Charles D. Leonard, Glades Manager with the Company, points out that the service is engineered only for station-to-station long distance calls. There will be no change in rates because of it. "It's fast, convenient and easy to use," he added.

Here's how DDD will work on and after November 20 from Glades area telephones:

1. Dial "1".
2. Dial the Area Code, if it is different from your own.
3. Dial the telephone number you want to reach.
4. Give the operator your complete number, when she asks for it.

Leonard said, "Subscribers will still dial 'Operator' for person-to-person calls, credit card calls, collect calls and calls from pay telephones, or other calls that require her personal help."

Mr. and Mrs. John David Chamblee (Joyce Faye King) of Belle Glade announce the birth of a daughter, Kimberly Dawn, on October 27 weighing 6 lbs. 13 oz.

Mr. and Mrs. Alton Raymond Stalvey (Brenda Lee Cummings) of Belle Glade announce the birth of a son, Gregory Alton, on November 1 weighing 6 lbs. 6½ oz.

## Wedding Plans For Mrs. Myrle Platt

Mrs. Myrle C. Platt, 2351 E. Main Street in Pahokee announces the final plans for her wedding which will take place on Saturday, November 5, at 3:00 p.m. at the Canal Point Baptist Church. Rev. Lawrence Stewart will perform the double ring ceremony which will unite Mrs. Platt and Royce C. Thompson, Sr. E. Ellington Road, Perry, Florida.

Mrs. Jess Elliott and Mrs. Lawrence Stewart will serve as matrons of honor for Mrs. Platt and Hal Thompson, brother of the bridegroom elect, of Quincy, Florida, will serve as best man.

Following the wedding a reception will be held in the educational building of the church. All friends of the couple are invited to attend.

After a wedding trip the couple will make their home in Perry where Mr. Thompson is a construction engineer with the Florida State Road Department, District 2.

## Farm Leaders Will Meet In Jacksonville

JACKSONVILLE—Farm leaders from throughout Florida will meet here November 6-8 for the 25th Silver Anniversary Convention of the Florida Farm Bureau Federation.

Primarily a working meeting, the annual meeting features the deliberation and adoption of resolutions submitted for consideration by the 64 county Farm Bureau organizations. These resolutions will determine the policies and programs for the coming year.

Art Karst, FFBF president from Vero Beach, will preside over the convention featuring addresses by American Farm Bureau Legislative Director John Lynn of Washington, D.C.; U.S. Congressman Charles Bennett and Dr. Pierce Harris, Pastor Emeritus of the First Methodist Church of Atlanta, Georgia.

The 348 voting delegates attending the convention will be representing the more than 34,000 farm families currently members of FFBF.

Convention sessions for the meeting will be held in the George Washington Hotel.

Activities get underway at 1 p.m. Sunday with registration, vesper service and annual Talent Find contest. The formal sessions will begin Monday at 9 a.m. and continue through Tuesday afternoon.

## Seafood Cash In State Runs \$30 Million

Florida's sea products catch is valued at some \$30 million annually, ranking the state fourth nationally, the Florida State Chamber of Commerce reported in its Weekly Business Review released yesterday.

"The stature of Florida's commercial fishing industry has been confirmed by the Bureau of the Census in the first census of fisheries taken since 1908. The new data cover the year 1963 and were released recently.

"This census shows 2,030 commercial fish operators in Florida, 740 of whom hire employees and account for 85 per cent of the annual fish catch in the waters around the state.

"These larger operators have 2,100 employees with an annual payroll of \$8.5 million.

"Over a thousand vessels of five

## ELECT THE MAN OF ... ACTION!

# H. LOY ANDERSON JR. EDITORIAL COMMENTS ...

### The Palm Beach Post and Times —Friday, April 29, 1966

Sound political philosophy, pledged to serve entire county

### Delray Beach News-Journal

—Thursday, April 28, 1966

H. Loy Anderson, could bring some new and fresh ideas to the political scene ... and we can't help but admire a young man who has the initiative and the desire to run for public office. A capable man is never too young to run for public office, and this young man appears to be capable.

### Boynton Beach Star

—Thursday, September 22, 1966

I know that Loy has been hard at work to have a four-lane highway built from Palm Beach to Belle Glade and it now looks like his efforts have a good chance to be rewarded. It shows how a man who really wants to do something for his potential constituents — works. Keep your eye on Loy Anderson. Jr. He is going far in this state.

### The Lake Worth Herald Thursday, April 28, 1966

H. LOY ANDERSON, JR., a young aggressive business man who has demonstrated his willingness to give extensively of his time and energy in worthwhile local civic causes with the hope of no reward other than the satisfaction of having improved his community. His voice would be heard clearly in the legislative halls.

### PALM BEACH COUNTY SUN PRESS

—Thursday, Oct. 27, 1966

He has a depth of understanding seldom found in such a young man. His integrity and obvious sincerity are beyond reproach. We give him our nod for these and many other reasons.

### The Beacon News —Thursday, Oct. 27, 1966

He has made countless appearances before civic organizations where he has spoken on the national fight against juvenile delinquency, and the program of the Palm Beach County Citizens Committee on Juvenile Delinquency, which he heads as Chairman. Mr. Anderson is articulate, well informed, and has demonstrated his ability and willingness to work. The Beacon News unequivocally endorses H. Loy Anderson, Jr.

## Interama Project Soon Will Start

MIAMI (FNS) Miami's Interama project will be under construction within a few months, Rep. Claude Pepper predicted last week after announcing approval of a \$6.5 million appropriation.

Favorable action by the Federal Bureau of the Budget guaranteed Congressional approval of Interama's appropriation in the near future.

According to Interama's chief planner, Dr. Irving Muskat, passage of the appropriation bill will result in release of \$22 million in loans to aid in construction of pavilions and additional funds for construction of roads leading into the giant exhibit complex.

The project, which has been described as Miami's permanent World's Fair, is expected to attract thousands daily to view trade and cultural offerings of North and South American countries.

## Pesticides Study Is To Be Made

GAINESVILLE—An \$89,155.00 grant to learn how pesticides behave inside animals when fed as part of their diet has been awarded to the Animal Science Department at the University of Florida.

The three-year grant, given by the USDA's Agricultural Research Service, division of human nutrition research, will be directed by Dr. John P. Feaster, associate biochemist with the Florida Agricultural Experiment Stations.

Working with him will be Dr. George K. Davis, professor of nutrition and director of biological sciences at Florida, and Dr. Charles H. Van Middel, biochemist and director of the Southern Experiment Stations' Pesticide Laboratory which is located on the UF campus.

Despite wide use of pesticides in producing this country's food supplies, little has been done with their possible effects on animals through the feed eaten.

The residues are not harmful at the low levels permitted by law. In fact, USDA and the Food and Drug Administration keep close tabs on pesticide tolerances in animal feeds and our own food.

However, Dr. Feaster says it's important that scientists know how these various chemicals act when they're inside the body.

"There has been no evidence up to now," Dr. Feaster says, "of any harmful effects from low pesticide levels present in animal and human foods."

But we want to make certain that pesticides are safe even at higher levels than are now permitted," he said.

It would be well, he pointed out, to know if feed containing even these low levels of pesticides do bring about "adverse conditions" in animals under stress.

A good example is pregnancy.

This type of information, according to Feaster, would be valuable in the case of trace minerals which are needed by humans and animals and include zinc, copper, iodine and iron.

Dr. Feaster says these trace minerals are highly important because they are essential for the development of normal offspring whether animal or human.

Any action between the trace minerals and the pesticides found in the feed "may possibly alter" their availability to a mother, and therefore to her offspring.

What this means is that if low levels of pesticides do cut the amount of trace minerals going to the unborn offspring, damage could result.

It's suspected that one action of pesticides may be to decrease the activity of enzymes which are responsible for the life processes in animal tissues.

Several of the trace elements are necessary for the enzymes to act, Dr. Feaster points out.

The scientist noted that whatever is found as a result of this

### SHIRLEYS VISIT

Mr. and Mrs. L. L. Shirley returned last week from a two week vacation spent visiting D. W. Hunter at High Point, North Carolina, Mrs. Browning Roach at Maryville, Tennessee, and Mr. and Mrs. Bob Burks in Griffin, Georgia. They were accompanied home by Mrs. Claude Shirley, Sr., from Griffin, Georgia.

Mr. and Mrs. Joe Kelley and daughter, Madeline, of Fort Pierce were the weekend guests of their son-in-law and daughter, Mr. and Mrs. J. V. Thomas, Jr., and daughters, Terri and Kelley.

new grant may be extremely helpful to medical doctors and food nutritionists.

Actual work on the project is expected to get underway in October at the Animal Nutrition Laboratory on the UF campus.

## Public Relations Group Will Meet

WINTER PARK, (FNS) The Florida Public Relations Association will hold its 28th annual convention in Winter Park November 16-19, it has been announced by Stirling Turner, president of the 400-member organization. Turner is a public relations man for Chemstrand Co. of Pensacola.

Convention headquarters will be the Villa Nova—Holiday Inn complex. Some 250 public relations practitioners are expected to attend. Theme of the three-day meeting will be "how-to-do-it" public relations.

Henry Suydam, Life magazine editor; Hugo Wessels, state photo editor for United Press International; and Hartwell Conklin, representative of CBS and Orlando's WDBO-TV, will make up a feature panel on national public relations. Another panel will discuss public relations on the local scene.

James Hunter, administrative

assistant of the Florida Hotel and Restaurant Commission, Tallahassee, will be installed as president during the convention. Other officers will be elected at the annual business session and installed

along with the president-elect. Convention chairman is Wm. R. F. Morris, executive director of the Citizens Safety Council, Tallahassee. John North, director of public relations for Florida Gas Co., Winter Park, is program chairman.

## Banquet Held Wednesday For V. L. B. Group

The youth organization of The Church of God of Prophecy, the V. L. B. s were presented with a banquet Wednesday evening, September 21 at the Community Building in Canal Point. The theme was "Dining In Hawaii." Twenty-seven young people enjoyed the entertainment. The main dish was delicious food and well planned fried chicken. Entertainment included singing, pantomimes and skits.

Special tribute was given to the well-known cooks, Mrs. Ola Kinard and Mrs. Amy Levins. The committees for the banquet did a fine job.

Youthful church meetings for the Victory Leaders Band are held on Thursday nights beginning at 8:00 p. m. Programs are well planned and for the interest of young people in this area. Youth director, Jean Ingram, gives all a special invitation to participate.

## C. P. WMU Will Hold World Day of Prayer

The W. M. U. of the Canal Point Baptist Church will hold their meeting on Monday night, November 7, at the church with Mrs. J. S. Atkins, vice president, presiding in the absence of Mrs. R. T. Smith, president, who will be attending the Florida Baptist Convention in Pensacola.

Mrs. J. D. Latham, prayer chairman, will be in charge of the program and the W. M. U. will observe the "World Day of Prayer" in conjunction with the Baptist World Alliance which will be observed by all Baptists throughout the world.

## Nortons Return From Vacation

Rev. and Mrs. Edward F. Norton returned to their home in Canal Point last weekend from Tampa, where they had been the guests of their son-in-law and daughter, Mr. and Mrs. C. F. Tolle, Jr., and family for a few days. The Nortons also attended the homecoming at Highlands Methodist Church in Kentucky and visited relatives and friends in Marion, Lebanon and Lancaster, Kentucky, during the past two weeks.

Mr. and Mrs. Bob Maxson and son, Todd, of Boca Raton were the guests of their parents, Mr. and Mrs. F. S. Parrish and Mr. and Mrs. R. J. Maxson, during the past weekend.

## Halloween Party For Canal Point MYF

The Canal Point Methodist MYF had a Halloween and combination surprise birthday party for Carolyn Maxson on Saturday night at the home of Mr. and Mrs. L. L. Maxson.

Rev. and Mrs. E. F. Norton, Mr. and Mrs. W. E. Johnson and Mr. and Mrs. Maxson were judges for the costumes worn by the young people who attended the party. A treasure hunt was won by Brenda Maxson's team.

Refreshments of hot dogs, potato chips, Halloween candy and birthday cake and cold drinks were served. Each of the young people bobbed for apples.

Those attending were Lillian and Butch Sims, Steve and Carolyn Maxson, Paula Gail Bryant, Karen Hooks, James Bryant, Ross Harrington, Glennie Trett, Gladys Strout, Jana and Kathy Maxson, Brenda Maxson and Beverly Wilkinson.

## Canal Point WSCS Met On Tuesday

The Woman's Society of Christian Service of the Canal Point Methodist Church met on Tuesday night in the Maxson Sunday School Building with Mrs. J. H. Miller as hostess. Mrs. Pope Sears was in charge of the program and she read an article written by Mrs. Burleigh Law, who with her husband was a missionary to the Congo.

The December 6 meeting will be held at the home of Mrs. Donald Kepp with Mrs. A. R. Harrington in charge of the program.

**CLASSIFIED ADS PAY BIG DIVIDENDS**

## Registered Nurses In Great Demand

The registered nurse today is probably more in demand than at any previous time in history. Many hospitals are taking advertisements in newspapers far removed from their own area in order to attract nurses to their staff. In fact, the nursing school graduate or the established registered nurse of today has a multiplicity of potential employers to choose from that is probably unmatched in any other profession.

How then can an organization such as the United States Air Force hope to attract sufficient number of nurses to maintain its Nurse Corps?

Local Air Force Recruiting Sergeant Joe Bloxom states that the task isn't easy but then it never was. "The main problem," according to Sgt. Bloxom, "is letting nurses know exactly what the Air Force can offer them. Many of the so called 'new' benefits that nurses are being offered today by potential employers, the Air Force has offered for years. Many more, of course, are still only found in the Air Force."

Sgt. Bloxom advised local nurses that, with so many positions to choose from, they owe it to themselves to get the facts on all that are available. This most definitely includes the Air Force, of course. Information may be obtained from Sgt. Bloxom at the Air Force Recruiting office, 3238 South Dixie in West Palm Beach, Phone 833-5133. Sgt. Bloxom may also be contacted at the Selective Service office in Belle Glade each Tuesday at 1:00 p. m. and each Thursday at 10:00 a. m.

Mr. and Mrs. Leo Maxwell and Mrs. Kansas Todd spent Sunday in Stuart where they visited Mrs. Todd's sister, Mrs. Ellen Baker.

Now—  
 U. S. Savings Bonds  
 Pay More Interest  
 4.15% when held to maturity

Higher interest on the  
 Bonds you already own, too!

U.S. Savings Bonds are a better way to save than ever

Because now all Series E and Series H Bonds bought after December 1, 1965, will earn the new, higher interest rate of 4.15% when held to maturity. That's only 7 years for Series E—9 months quicker than before. All H Bond interest checks will be larger beginning in June 1966.

And your outstanding Bonds will earn more, too, from now on. So, you don't have to cash in your present Bonds to get the attractive new rate.

Ask about buying Bonds where you work or bank. For America's future. And yours.

"Today, none of us can remain aloof on the sidelines."

"Today, above all, is a time for all Americans to rededicate themselves to the spirit that animated the Minutemen of Concord—who serve as a symbol of the Savings Bond program. For today, as at the founding of our nation, it is freedom which is again at stake. Not all of us are called upon to fight in the jungles of Vietnam, but while our men are there, in the front line of a distant land, none of us can remain aloof on the sidelines. We must all do our share—in every way we can—to support our men in Vietnam. One sure way is open to all Americans through the Savings Bond program."

*A message from the Treasury of a free people*

## How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with
